OCTOBER 1965

Robert L. Lindgren, Secretary, Flying Scot Sailing Association, 1047 Blackthorne Lane, Northbrook, Ill.

SCOTT SCUTTLEBUTT

Coming in November - the new editor for SCOTS N' WATER - Charles S. Silsbee. Charlie, who has been editor previously, handles our national publicity and is a real booster of the Scot Class. Winter is a tough time for a new editor, as material for SCOTS N' WATER can be rather slim. Local news items, fleet results, photographs and other copy will be most welcome.

ADDRESSES TO NOTE: Charles S. Silsbee, Editor
SCOTS N' WATER

Send for Class information, indicate change of address and obtain membership applications.

FLYING SCOT PERPETUAL TROPHY FUND

Mr. Fred M. Crapo, #617, has graciously donated \$25.00 for the establishment of a Flying Scot Perpetual Trophy. The Association is most appreciative of his contribution. Others who wish to assist the fund may do so by sending their contribution to the Flying Scot Sailing Association in care of our secretary Mr. Robert L. Lindgren, 1047 Blackthorne Lane, Northbrook, Ill.

IN MEMORIAM

Mr. Malcolm E. Runyan, #387 of Fleet 31, Shore Acres Yacht Club, passed away on July 10. Malcolm was the inspiration of our Fleet and contributed much to sailing by teaching youngsters around our area to sail. He will greatly be missed by us. His ready smile, quick wit (which you probably already read in his numerous articles in SCOTS N' WATER), and his genuine love of sailing and people will live with us forever. Malcolm's enthusiasm for sailing isn't found very often in people, and our Fleet's loss is heaven's gain.

Ralph and Ethel Manee

FLEET 8, DETROIT MICH.

This year the Edison Boat Club has twenty sailors who have sailed nine or more club off-the-dock races. The top five are:

	<u>Avg.</u>
Bob Greening	850
Pat Barry	846
John Keller	828
Bob King	778
Eaton Kelly	761

In early September these five men will sail a round robin series of five races to determine our Club Champion. On Sept. 25, our champ will then face the Fleet 16 and 18 Club Champions for the Detroit Men's River Championship.

These fleets are now in the middle of our interclub regattas. A team of three Scots from each local club fleet compete against each other. This year has seen some real close team racing. Of the nine interclub races to date, Fleet 8 has won 5 with two each to Fleet 16 and 18. The last race was decided by a 1/4 point bonus to the first place boat. There are three more races this year and each club vows that the others will know they have been in a real race.

Eaton V. Kelly

FLEET 11, ROCKPORT MASS.

Fleet 11, Sandy Bay Rockport is still an enthusiastic sailing group. Lem and Janette Kohli invited the entire fleet to their home for dinner and sociability one Saturday in July. Lem came in first that day and again on Sunday.

This last Saturday only 2 boats finished when the rest of us lowered our sails and hurried for home in a fairly heavy squall. None of us got into trouble but 4 Fireflies capsized and all the Fish class had to be towed in.

Competition is real keen this year with 3 new units of sails in the fleet.

We have been happy to have FhS. #7 owned by Dr. Derrick Lonsdale of Cleveland, Ohio with us this month.

Labor Day concluded the season and prizes were given out.

Founders' Series won by C. B. Hall	180
July 4th Series won by Ted Engel	304
July Series 1st Ted Engel	304
2nd Ralph Fritch	330
3rd Lem Kohli	311
August Series 1st Ted Engel	304
2nd Chuck Hall	180
3rd Lem Kohli	311
Labor Day Series won by C. B. Hall	180
Season's Winner was Ted Engel	304

Following the races on Labor Day, we held a short business meeting and elected Ted Engel as our new fleet captain.

FLEET 28, SHEEPSHEAD BAY, NEW YORK

On July 17 & 18 we conducted our first Flying Scot Invitational Regatta. The response to our invitation from neighboring fleets was something less than overwhelming, however, we did have two visiting skippers from good old reliable Fleet #7 in Riverside, Conn.

We held three races under the wildest conditions we've had in Sheepshead Bay in a long while. The chartered fishing fleet that operates from the Bay, was running for home but the Flying Scots continued their racing.

Our visitors seemed to enjoy the "somewhat different" conditions we had to offer. To prove it Frank Bloomer #195 won the series.

The top five skippers were: Frank Bloomer 6-3/4; Dan Beyer 6-3/4; Fred Weintz 10; Neil Raskin 12-3/4; John Foley 13.

John Foley

FLEET 33

It must be about time for another report on the activities of fleet #33. We are now five, FS 700 has arrived and we welcome Dr. Bob Collyer and "Sinbad II."

The Fanshawe Yacht Club held its annual June Bug regatta on June 12 and 13 this year. This is the time we invite out of town skippers to try their luck with the Fanshawe winds. This year we had races for Snipes, Y Flyers, Lightnings, Int. 14's Scots and an open class.

The Scots were well represented having eight boats, five from the Fanshawe fleet and three from fleet #20.

There were three races with the following results:

<u>Boat</u>	<u>Skipper</u>	<u>Total Points</u>	<u>Standing</u>
439	McGugan	22-1/2	first
9	Luno	18	second
177	Merriman	17	third
437	Foster	13	fourth
438	Simmonds	12	fifth

They were interesting races with plenty of wind. The writer even found time to prove that it is possible but not practical to leave a Scot and board it again while said Scot is almost planing.

FLEET 36

Orville White continues to send in his interesting Flying Scot bulletins from Montreal. He reports on the July 31-August 1st Regatta with over 200 boats entered, the 6 Flying Scots racing in the Handicap "A" division. Two new Scots have recently been added to the Montreal area group - welcome to Robert Van der Veken and Dr. Ed Lepine. . . . Ten Scots raced at the new posh and scenic Trident Yacht Club the week-end of August 6th at Gananoque, Ontario at the invitation of Dr. Ford Stevens, F/S #591, with 5 boats from Montreal, 2 from London, Ont., one from Burlington, Vt. and Sandy Douglass from Maryland. Orville says that they don't mind if Sandy wins like he did all three races at Gananoque, but why does he have to get so far ahead that no one can see or copy what he is doing? Second place went to John McGugan of London, Fleet 33, twice, with Ken Norris of the Montreal Fleet 36 taking a second in the long distance race. This initial Gananoque Regatta was so successful that arrangements were being made to hold it annually, with August 5-6, 1966 already set as the second annual regatta in this scenic 1000-Islands setting.

Charles Silsbee

FLEET 46

With the completion of our Spring series, we immediately launched into the Summer series on Middle Bay and have already completed three races. Although Ed Herman still hasn't been beaten, several of us have given him a run for his money and each week the margin becomes closer. "He must be doing something right."

Two of our Scots, #630 owned by Les Goldman, and #663 owned by Bob Rich, traveled to Riverside, Connecticut, for the Eastern District Championships and couldn't say enough for the warm hospitality extended by Fleet #7.

Ten Scots sailed August 21 in the First Annual South Shore Regatta held in Reynolds Channel with over 40 boats in attendance representing about 15 classes. The Hempstead Bay Sailing Club with which the Scot Fleet Number 46 is affiliated, was the sponsoring club for the event, and it was run by our race committee. This was an exciting event with Sam Rosenfeld, #663, placing first among the Scots.

We feel that a special note of praise should go to Ed and Alice Herman for their remarkable showing in a previous race. Ed was out in front going towards the windward mark when he capsized. Don Bailey and Bob Rich were steadily approaching and Bob just passed him when Ed righted his boat (we estimated it took him about 30 seconds). He sailed off way to windward and won the race in almost enough time to jump into his sunfish and sail the course again with the handicaps. We wonder what he'll do next week!
